| <p>1. Bourke Street Complex , Chronic and Acute , explore and apply activities not available until after MOO has run their tutes</p> | <p>In Acute only some activities are hidden until each campus has done their tutorial. This was only for 2 out of 8 activities. These activities are always case study and group discussion with teachers. Students are told that the activity will be hidden so that Moo students will not have access to the answers. When both campuses have run the session, the activity is then opened for all students. Chronic Health -, information relating to all sessions are available at least 2 weeks in advance of the connected explore session's undertaking.</p> |
| <p>2. Meds stage 4 & PHC unit- resources not available until the day of the tute in weeks 3 &4</p> | <p>All teachers reminded that content to be visible to students at least 1 week in advance.</p> |
| <p>3. Brightspace assessments are not in the assessment tab</p> | <p>Training done for all teachers on how to save assessments on brightspace</p> |
