

Action items from SRC meeting on 8 September 2022

1. Mental Health SIM	1. SP's acting was very full on and confronting, in the MH skills assessment last week at MOO. It was said the 2 of the SP's acted this way	Feedback received from the teacher facilitating the SIM that this occurred by one SP. Staff reminded to ensure if this occurs to escalate to EM on campus. No damage recorded or noted.	completed
		PD for teachers on de-escalating a situation.	completed
2. CHCPOL003 unit	Assessments over assessing and not engaging, very boring and too much content on referencing	EM to review and make more engaging	completed
3. Rubrics	Inconsistency with rubric marking, some teachers not following the holistic rubric and are adding subjective views to it.	Sanjaya to conduct Holistic rubric PD to all staff; including where to store assessments so shells are consistent.	completed

4. 007 has very little Prepare content	Staff in all stages of meds to review unit and make it all consistent	Regular meetings for meds coordinators to ensure consistency in all 3 stages of the meds unit. Scaffolding of assessments to occur.	completed
5. Endocrine AT4	Grades to be reviewed but never were reviewed, moderated or changed	Grades rectified for all students based on fairness and transparency as assessment rubric was not visible to students until after the assessment was due.	completed
6. AAP002 Unit outlines	Confusion with old and new unit outlines still visible	Unit coordinator has rectified	completed
7.AAP002 Inconsistent grading with rubric	Variations across campuses	Unit lead and Unit coordinator are moderating each other's assessments and then release grades. Unit Coordinator to work closer with unit lead.	completed
		Rubric pd for staff as above	completed
